

Funeral Receptions

On such a sensitive occasion, what you would like to offer your family and friends will depend on a number of factors:

- ☞ The time of day
- ☞ The number of guests attending
- ☞ The distance travelled by your guests
- ☞ Most importantly, the atmosphere you wish to create, whether casual or more formal

Whatever you ask us to do, you will be comforted to know that we have an expert team who has years of experience in arranging such sensitive occasions. We are aware of your guest's special needs on this day and rest assured you will be in good hands.

Here are some tried and tested ideas to help you put together your own private function. If you have any ideas or suggestions of your own please let us know and we will be more than happy to accommodate them for you.

Once you have chosen what you would like to provide for your guests, then we have several event rooms to choose from for a gathering as small as for 10 guests to a large family gathering of 200. For around 30 guests, Second Avenue or Third Avenue is ideal with a room hire fee of £75.00. For a little bigger gathering, our First Avenue or Seasons Restaurant will comfortably accommodate between 50-70 guests at a rate of £120.00.

You are more than welcome to hold a date and time provisionally in our diary, whilst you take the time to talk to your family and those closer to you. Once you have decided to go ahead, we will just require a small deposit to guarantee your booking, then the remaining balance would then need to be settled on the day on departure.

If there is anything at all that we can do for you, then please just ask.
